

IBM CLOUD ACCOUNT

The screenshot displays the IBM Cloud Dashboard in a web browser. The browser's address bar shows the URL <https://cloud.ibm.com>. The dashboard's top navigation bar includes the IBM Cloud logo, a search bar, and links for 'Catalog', 'Manage', and 'Dhivya V's Account'. On the left, a vertical sidebar contains icons for various services like Kubernetes, Cloud Object Storage, and Cloud Functions. The main content area is titled 'Dashboard' and features a 'Create resource' button. Below this, a 'For you' section presents five personalized cards: 'Build' (a large blue card), 'Set up your IBM Cloud account' (10 min), 'Get Started with Watson Studio' (2 hr), 'Build a Virtual Private Cloud (VPC)' (7 min), and 'Pick your compute' (2 min). Each card includes a brief description and a 'Getting started' or 'Recommended' button. At the bottom, three sections are visible: 'User access' with a 'Manage users' link, 'News' with a 'View all' link, and 'Planned maintenance' with a 'View all' link. A blue chat bubble icon is located in the bottom right corner of the dashboard.
